

REMARKS

Favorable consideration of the patentability of the claims in this application is solicited.

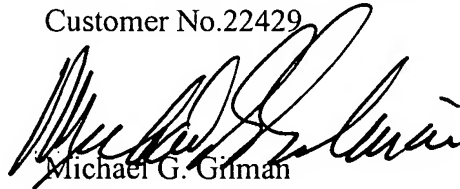

Claim 42 is supported by the disclosure in Figures 3, 12 and 13. Please see steps 276-296 and elements 142, 143 and 149. Further, reference is made to the disclosure of the instant specification at page 15, line 25, to page 16, line 18.

The single claim of this division application finds ample support in the parent '063 application as well as in the Japanese priority application from which it is derived. It is urged that the examiner enter this new claim and find it to be allowable.

Respectfully submitted,

LOWE HAUPTMAN GILMAN & BERNER, LLP
